

CALL FOR ENTRIES

Unison Main Gallery,
Unison Gallery at Water Street Market and
Unison's Outdoor Sculpture Exhibition

2012 Season

Applications Due: February 3rd, 2012

The Unison Art Center is currently seeking artists to fill its 2012 exhibition schedule, and we invite you to submit samples of your work for review by our Gallery Committee.

Unison's Main Gallery is a 34'x34' multi-use space that aside from the exhibitions also hosts performances and classes.

The Unison Gallery at Water Street Market in downtown New Paltz, NY, is located in a walking marketplace with heavy foot traffic. The space is 12' x 17'. Artists showing in this gallery are expected to spend time in the gallery greeting customers. Sales will be handled by staff.

Unison's Sculpture Garden is on 5 acres of woodland and meadow and is suitable to both large and properly secured smaller works. The Annual Unison Outdoor Sculpture Exhibition opens in June and is officially last officially until October 31. Many artist choose to leave their work until spring as we often have winter visitors.

Unison Art and Learning Center retains a 35% commission of profits of all works sold.

Here are some links for your perusal/understanding of the space:
